

Pursuant to Article 32 of the Law on Electronic Document, Electronic Identification and Trust Services in Electronic Business (Official Gazette of the RS, No. 94/17),

The Minister of Trade, Tourism and Telecommunications has hereby passed the following

## **RULEBOOK**

### **on the amount of insurance from the risk of liability for damage incurred through provision of qualified trust service**

#### Article 1

This Rulebook shall prescribe the lowest insurance amount from the risk of liability for damage incurred through provision of qualified trust service.

#### Article 2

The trust service provider shall be obliged to provide for the lowest amount of insurance from the risk for potential damage incurred through provision of a qualified trust service, so that the insured sum for which the contracted insurance per a single harmful event may not be lower than 20,000 (twenty thousand) Euros in dinar counter value for a qualified trust service.

The harmful event referred to in paragraph 1 of this Article shall include single damage incurred through a single act in legal transactions, within the provision of a qualified trust service.

#### Article 3

The total sum of insurance for which the insurance from liability of a trust service provider must be agreed cumulatively on the annual level, per all harmful events, must not be lower than 1,000,000 (one million) Euros in dinar counter value in total for all qualified trust services that the service provider provides.

#### Article 4

This Rulebook shall enter into force on the eighth day from the date of its publication in the Official Gazette of the Republic of Serbia.

Number 110-00-62/2018-12-1

In Belgrade, on December 27, 2018

Minister,
