Belgrade, Serbia

SOURCE OF REFERENCE TIME NOTICE

In accordance with Article 23. Paragraph 1. of the Regulation on Requirements for the Provision of Qualified Trust Services (“RS Official Gazette” No. 37/18), Ministry of Trade, Tourism and Telecommunications specifies that the source of reference time, with which certificate issuer is obliged to synchronize, is defined by the Directorate of Measures and Precious Metals.

The reference time is distributed over the Internet, using NTP protocols.

Instructions for connecting and synchronizing with public time servers of the Directorate for Measures and Precious Metals (DMDM) is located at the following web address:

<http://www.dmdm.rs/lt/GrupaZaVremeFrekfencijuIDistribucijuVremena.php>.
